Our Story

It all started in 2015. Equipped with the most enriching, transformative training and professional experience in one the big 4 accountancy firms in Kenya that Upskill was conceived.

Our encounter with the “basic” challenges faced by the finance teams at our then clients and majority of small businesses out here made us see the special skills-set endowed to us.

These challenges presented us an opportunity to make a difference by providing solutions to micro, small and medium enterprises (MSMES).

Our Vision

To be your go to business advisor transforming small businesses through reliable financial reporting and automation, compliance and business consultancy.

Our Mission

We offer holistic and integrated business solutions that empower small businesses to unlock growth potential.

Our core values:

- Professionalism
- Integrity
- Dignity for our customers
- Responsiveness
- Consistency

Business Approach

We transform your business efficacy through formalization, automation, compliance and business advisory. Upskill therefore uses the power of reliable financial reporting, automation and effective internal controls to unlock growth potential for your business.

We have the experience, charisma and skill to handle financial complexities for your business rooted on the following strategic consideration;

1. Customer Needs:

- Business formalization.
- Reliable financial reports.
- Compliance.

2. Solutions:

- Book keeping and accounting services.
- Tax services.
- Automation of financial processes.
- Audit.
- Risk Advisory & Internal Controls.

3. Unique Value Proposition:

- Businesses transformation through reliable financial reporting.
